📍 Richard Hendrik

undefined San Francisco

Richard hails from <u>tulsa</u>. Holds a bachelor's degree from the *University of Oklahoma* and a master's degree from *Stanford University*. (Go Sooners) Before starting **Pied Piper**, he worked for **Hooli** as a part time software developer. While his work focuses on *applied information theory*, mostly *optimizing lossless compression* schema of both the length-limited and adaptive variants, his non-work interests range widely, everything from *quantum computing* to *chaos theory*. He could tell you about it, but THAT would NOT be a *length-limited* conversation!
